Ok thank you! I know our Police Chief and Mayor were working through their channels but our CAO wanted to speak to someone from an administrative perspective.

Good morning,

Our CAO, Jason Reynar, is looking to speak to either the Deputy Minister or someone in the office who can provide some information on potential next steps regarding the ongoing convoys and border blockade. The city of Windsor is considering next steps on how to address the situation and would appreciate some input. Is there anyone in that office that could provide us with some support/information?

Jason can be reached on his cell  or via our office. We know the Mayor has more than likely had discussions with the province but this is from an administrative level.

Appreciate if someone could give me a response and we can set up the call.

Thank you!

Lesley
